

Bad Timing

I started drifting to a place within my mind
The kind of place that only you know where to find, oh baby
Leavin' is never an easy thing to do
And it hurts so bad that I can't make it up to you
I guess it's bad timing

The sound of your breath as it breathes with mine
Creates a warmth that's hard to define
I tried to keep from leaving a mark too bad
And I will never forget all the times we had

bad timing (don't wanna let you go)
bad timing (cause I love you so)
bad timing (I'm hoping it is true that)
good timing (might bring me back to you)

Our love is real,
but we're so young that I feel,
that there is so much more of this life
we haven't seen,
and need to see,
I wanna see what kinda man
I'm gunna be

We blindly fell for a brand new thing
An undeniable connection within
Little did I know the fire it would start
The burning inside of a young girl's heart

bad timing (don't wanna let you go)
bad timing (cause I love you so)
bad timing (I'm hoping it is true that)
good timing (might bring me back to you)

Our love is real,
but we're so young that I feel,
that there is so much more of this life
we haven't seen,
and need to see,
I wanna see what kinda man
I'm gunna be

Tonight I wanna see your face
