

Shotgun

Out here you can hear the cries
another gentle soul goes down
With love as my one and only defence
fear can only go so far

Lets open up
and it'll take us to a higher place
Let hate be gone
it's time for us to elevate

Loaded my shotgun
Fire Away
A loaded love shotgun
Full of love and then I fire away

Don't you let them tell you what is right and what is wrong
Just follow your heart
As long as you know that we're all one family
then help me sing this song

Ooh..
Ooh...

Loaded my shotgun
Fire Away
A loaded love shotgun
Full of love and then I Fire away
A loaded my shotgun
Fire away
